

**CONFIDENTIAL**

OCT 1 1952

25X1

**MEMORANDUM FOR:** Assistant Director, Intelligence Coordination

**SUBJECT:** Collection of Scientific Intelligence Information  
from Overt Sources Abroad.

1. In pursuance of the letter from DD/I to the State Department dated 12 September 1952 on the subject of overt collection of scientific and technical intelligence information this Agency will enter into further discussion with the State Department.

2. It would be appreciated if your Office would handle these negotiations, consulting fully with OOI, other interested Office and as appropriate with other interested agencies.
